***DIGIMON ADVENTURE Tri. — CONFESSION* movie synopsis:**

Upon seeing Meicoomon's abrupt transformation, Tai and the DigiDestined search for answers about Meicoomon's infection. Izzy seeks answers from Meiko but she's lost all emotion. Izzy quarantines Agumon and the other Digimon in the office so that the infection can't spread any further, but Patamon starts to show signs of the illness. Agumon and the others use Kari's voice to tell the team about an important secret concerning the Digital World.
