Lucky recipients will be among the first fans in the U.S. to own these new “Digimon Adventure 02 The Beginning” themed cards before they are released to the general public in December.

Tickets for the “Digimon Adventure 02 The Beginning” are available for advance purchase now at FathomEvents.com/Digimon02, which also provides a complete list of theater locations (*subject to change*). Tickets are also currently available via participating theater box offices.

Based on the Digital Monster (Digimon) virtual pet toy created in 1997, the Digimon franchise encompasses numerous films and TV series as well as video games, card games, comics, light novels and drama CDs. The original TV series “Digimon Adventure” premiered in 1999 and was followed in 2000 by the sequel “Digimon Adventure 02” which featured a different cast of children from the first series. The new movie “Digimon Adventure 02 The Beginning” is a contemporary continuation of the “Digimon Adventure 02” TV series but with the original DigiDestined children now as 20 year old young adults. “Digimon Adventure 02 The Beginning” is directed by Tomohisa Taguchi and written by Akatsuki Yamatoya together with production by Toei Animation — the same team behind the most recent film “Digimon Adventure Last Evolution Kizuna” released in 2020.
