LOS ANGELES, CA – November 30, 2016. As Toei Animation Inc. and Funimation® Entertainment ready for the highly-anticipated, dub launch of “Dragon Ball Super”, the acclaimed original English cast is back to embark on the newest adventure in the Dragon Ball saga. Long-time Dragon Ball franchise voice actors reprising their previous roles for Funimation’s English dub production include Seán Schemmel (Goku), Christopher R. Sabat (Vegeta), Jason Douglas (Beerus), Ian Sinclair (Whis) and Sonny Strait (Krillin) – all of whom starred in last year’s hit movie “Dragon Ball Z: Resurrection ‘F’,” which became the 9<sup>th</sup> highest grossing anime film of all time in U.S.
