Universal City, California, January 15, 2026 – Tickets are now on sale for [Universal Fan Fest Nights](#) as [Universal Studios Hollywood](#) sets the stage for its exciting second annual event designed to immerse guests in the spellbinding worlds of sci-fi, fantasy, gaming and anime based on this year's all-new innovative experiences, including Scooby-Doo Meets The Universal Monsters and ONE PIECE, as well as the return of DUNGEONS & DRAGONS by popular demand. Plus, guests will be treated to all-new experiences in The Wizarding World of Harry Potter™ and SUPER NINTENDO WORLD™ for a limited time.

Universal Fan Fest Nights is exclusive to Universal Studios Hollywood and tickets are now available for [purchase](#) to attend the event which runs for 12 nights only: April 23-25; May 1-3, 7-9, 14-16, 2026.

Universal Fan Fest Nights is an after-hours, separately ticketed event that celebrates the exhilarating world of fandom through immersive and interactive in-world experiences created by the theme park's renowned and highly creative entertainment team in collaboration with esteemed industry experts. Featuring a spectrum of inspirational categories, Universal Fan Fest Nights will welcome guests to embrace a variety of eclectic worlds that celebrate and elevate fandom favorites alongside character interactions, cosplay and photo opportunities as well as curated food, beverages and merchandise (separate purchase required).

All experiences and activations are included every event night for guests to enjoy. Here's what guests can expect at this year's Universal Fan Fest Nights, with more to be announced soon.

- **Scooby-Doo Meets The Universal Monsters: Mystery on the Backlot.** This all-new, immersive walk-through adventure is designed to give guests the sensation of stepping into a live-action mystery with the Scooby-Doo gang and the Universal Monsters. Guests will travel to the destination via Studio Tour tram where they have a chance to

walk along a movie studio backlot with Scooby-Doo himself and his pals Fred, Daphne, Velma and Shaggy. The exciting escapade will challenge them to solve a mystery involving the most legendary Universal Monsters in cinematic history, including *Frankenstein*, *Dracula*, *Bride of Frankenstein* and *Wolf Man*, as they navigate portions of Universal's world-famous outdoor film sets, from the cobblestone streets of Little Europe to the iconic Court of Miracles, the original filming locations for historic Universal horror films *Frankenstein* (1931) and *The Wolf Man* (1941).

- **ONE PIECE: Grand Pirate Show.** ONE PIECE returns to Universal Fan Fest Nights, but this time as a live show extravaganza at the WaterWorld show venue. Inspired by the success of the Universal Studios Japan production, ONE PIECE: Grand Pirate Show will invite guests to a whirlwind performance featuring a cast of ONE PIECE fan-favorite characters. With action, comedy and chaos taking center stage, guests will be transported to the very heart of the world of ONE PIECE – enveloped in friendship, freedom and mayhem.
- **The Wizarding World of Harry Potter.** This new, unique, walk-through experience will take guests into the depths of the Forbidden Forest in search of a lost Hippogriff. With guidance from a Hogwarts Professor, they will encounter magical creatures and familiar beasts as they face a series of obstacles which will require the guests to summon their bravery and spell-casting skills to help a Hippogriff in need.
- **SUPER NINTENDO WORLD – Colorful Yoshi Celebration.** This year's Universal Fan Fest Nights introduces a vibrant, multi-colored Yoshi celebration in SUPER NINTENDO WORLD. This all-new adventure will welcome guests to explore the land, where they will have a chance to meet new, colorful Yoshis who can be found throughout the Mushroom Kingdom.
- **DUNGEONS & DRAGONS: Secrets of Waterdeep.** This fan-favorite immersive experience returns due to popular demand, along with some enhancements. Inspired by the World's Greatest Roleplaying Game™, DUNGEONS & DRAGONS (D&D), this epic walk-through experience will welcome guests and fans to partake in a one-of-a-kind adventure and explore the fantastic world of D&D. Guests will join the Harpers—a heroic spy network—to foil a plot by the legendary beholder Xanathar and save the city of Waterdeep.

This engaging experience features the legendary beholder Xanathar, uniquely created by the masterful puppeteer, Jim Henson's Creature Shop. For over 40 years, Jim Henson's Creature Shop has been a world-renowned innovator in puppetry, animatronics and digital animation.
